Faculty Position Openings

The Division of Electrical Engineering, National Taiwan University, has several openings for faculty positions of all levels starting from August 1, 2015. All areas of electrical engineering and computer science are being considered with emphases on the following areas:

5. Biomedical Electronics, Biomedical Imaging, Nano-Biotechnology, Biophotonics and Bioinformatics, Medical Informatics.
7. Communication/Information/Network Theory, Signal Processing, Computational Psychology/Neuroscience, Quantum/Molecular/Biological/Biomedical Communications, Network Application and Services.
8. SOC Design (Embedded Processor, Memory Design, Power Electronics, Medical Electronics).
10. Electronic Design Automation (EDA).

The Division has 125 full-time faculty members, 1,700 graduate students and 800 undergraduate students, and holds outstanding research and instructional programs in Automatic Control, Power Systems and Power Electronics Engineering, Computer Science, Biomedical Engineering, Photonics and Optoelectronics, Electromagnetic Waves, Communications and Signal Processing, Integrated Circuit and Systems, Nano-Electronics, and Electronic Design Automation.

To apply for a faculty position, please prepare the following documents and visit our website at http://www.ee.ntu.edu.tw/eeoffice/ntueejob/, to fill out and upload the required materials. Please also send your application materials to the following address before December 31, 2014.
1) A curriculum vitae, along with a full publication list and a teaching and research plan
2) Reprints of 1-3 publications in the past 3 years
3) Two or more reference letters
4) A copy of the highest diploma granted (or a proof of Ph.D. degree to be granted by July 31, 2015)
5) Original copies of undergraduate and graduate transcripts.

Applications should be sent to:
Professor Liao, Wanjiun, Chairperson,
Department of Electrical Engineering, National Taiwan University,
Taipei 10617, Taiwan ROC.
